

Regards a new roof installed in July, 2007 for Lloyd Blackwell
3049 Scott Rd. N.E.
Marietta, Georgia 30066

Best dealings ever in a contractual situation in my 75 years of life experiences.
Best and hardest working quality crew I have ever seen anywhere.
All promises made by the salesman exceeded expectations.
Office contacts, cleanup-up, quality workmanship, roof quality, promises made and kept,
all superior. What more could I ask? THANK YOU.

Please note,

I would be happy for you to use my name in your advertising as a satisfied customer. I would even appear in a TV commercial for no charge if you should decide to do one. I have had some serious health problems the past several weeks so let me know if I can help. I mailed the card separately, late because of illness.

P.S. Martin Shepard is a top salesman and a huge asset. Our first meeting was outstanding as he convinced me of his and the company's integrity. He did not realize it but I was sold in the first meeting. I was a salesman and I know how difficult that can be in a first meeting with a stranger. LB
